

Lime Tree Village Community Club

2023 Landscaping Guidelines

The following guidelines are necessary to provide Lime Tree owners better service in maintaining a clean and neat community.

- **A six (6) foot spacing is needed between all obstacles (trees, plant beds, etc.) for the mowers to pass through.**
-
- **The lawns should be free of all hoses, chains, debris, etc. at the time of mowing.**
-
- **A ten (10) inch border is needed around all trees, plants, pipes, low voltage lights, etc.**
-
- **All complaints should be reported to Association Office for tracking purposes.**
-
- **No complaints will be honored if reported after thirty (30) days.**
-
- **There will be no weed eating behind the A/C units due to exposed wires.**
-
- **All decorative rocks and mulch must be maintained in flower beds by using borders**
-
- **Trim trees to height of six (6) feet to allow mowers to get underneath them.**
-
- **Please protect tile walkway from edger**

Your cooperation is greatly appreciated,

Thank you,

Your Landscaper, Board and Management
